GARY J. AGUIRRE

FINANCIAL LITIGATION, WHISTLEBLOWING

Aguirre Law represents victims of unscrupulous conduct by financial institutions and whistleblowers who report such conduct to government.

Over the past decade, new schemes have flourished: CEOs backdated options to cheat investors; hedge funds used late trading to steal billions; banks engineered CDOs to fail; traders used naked short sales to attack public companies. Gary Aguirre is uniquely qualified to innovate remedies for the victims of these frauds and whistleblowers who report them. He has successfully represented individuals and institutions in securities fraud cases in state and federal courts. As a Senior SEC Counsel, he took on major securities cases. He knows what risks whistleblowers face, since he was one. His track record as a trial attorney is extraordinary.
